

Directions to Oxford PharmaGenesis™

From London, travel west along the M40. Take the exit at Junction 8, signposted Oxford, and merge onto the A40. At the roundabout where the A40 joins the Oxford ring road, take the left hand filter lane and proceed clockwise round the ring road (taking the A4142 and then the A34 [North]), following signs west to Swindon (A420). Exit the A34 at the Botley Interchange, take the first exit at the roundabout onto the A420, signposted Swindon (the slip road and roundabout rise above the A34).

From the North, leave the M40 at Junction 9, signposted Bicester and Oxford (A34). Take the third exit at the roundabout onto the A34. Look out for signs to Swindon (A420) – they are easily missed. At the Botley Interchange, leave the A34 and take the third exit onto the A420, signposted Swindon (the slip road and roundabout rise above the A34).

Continue on the A420. After about 3 miles, you will go past the Landrover Garage on your right. Keep going past the Greyhound pub, also on your right. Drive along the next dual carriageway section and take the second exit at the roundabout (the junction of the A420 and A338) to continue on the A420.

About a quarter of a mile after the end of the dual carriageway, look out for red central road markings and the Tubney sign on the left-hand side of the road. Immediately after this there are two small, unilluminated company signs (William Martin Productions, Oxford PharmaGenesis™). Turn sharp left off the A420 at this point. It is a fast road, so start indicating as soon as you are past the layby on the left-hand side.

You should now be going down the driveway to Tubney Lodge. Follow the driveway round to the left and carry straight on to the large car park. From the large car park, Oxford PharmaGenesis™ Reception will be found in the far left of the barn facing you.

Tips

- The driveway to Oxford PharmaGenesis™ is directly off the A420. Do not be tempted to follow road signs off the A420 into Tubney village.
- If you come to another roundabout (junction of the A420 and A415), you have gone about a mile too far and need to retrace your steps. Look out for the company signs, now on the right-hand side, just after passing a speed camera and a church on your left.

If you get lost, please call Reception.
